

NANCY L. BENTON

Track Dedication

Homecoming, October 16, 2010, was a special day as MSD honored its longtime, revered track coach and physical education teacher, Nancy Benton. Nancy passed away in 2003 but her spirit and legacy live on at the school.

Over twenty members of Nancy’s family—along with the Homecoming crowd—came to the dedication ceremony of the Nancy L. Benton Track to hear and see expressions of love and memories from her family and friends.

Nephew Mark Benton spoke of her love of life and her dedication to sports and shared how much of a wonderful athlete she was in her playing days. Nancy won many awards as a student at the Georgia School for the Deaf and then at Gallaudet College (now University) where she played basketball, volleyball, and softball. But her legacy began at the Maryland School for the Deaf where she coached Track and Field and won fourteen ESDAA (Eastern Schools for the Deaf Athletic Association) championships as well as three National Championships. Appropriately, she was named Deaf Prep Track and Field Coach of the Year in 1992. Nancy coached in the Deaflympics four times: in 1989, 1993, 1997, and 2001! Mark closed his speech by saying: “Our family has been touched by the kindness of the staff and students here at MSD. Your hospitality is greatly appreciated. Thank you so much for bestowing this wonderful honor on Nancy.”

Tiffany Granfors was a member of the track team under Nancy’s tutelage and remembered her as a very special person and a great friend to many girls, including herself. “Nancy was always the first person on the track, getting it prepared for her team. She was always available to talk to anyone who needed to talk or be comforted. Nancy was clearly a teacher at heart and always made sure every track member received attention regardless if she was an elite athlete or a beginner.” Tiffany also disclosed that many of Nancy’s athletes who graduated from MSD have since become accomplished athletes and leaders, thanks to Nancy.

MSD’s track will be known from this day forward as the Nancy L. Benton Track. When passing by the Behrens building, please look at the beautiful Nancy L. Benton plaque mounted on the side of the building.
